Company Formation in Bahrain

Setting up a Company in Bahrain

Legal Services Bahrain are proud to be one of the few licensed Professional Bodies in the Kingdom of Bahrain.

Professional Bodies are only awarded to Licensed Lawyers & experienced Agents, to make sure that all formalities are done and reviewed in detail legally by legal persons. Being a Professional Body permits us to incorporate companies through a fast track process, we can issue your Commercial Registration (CR) without licence in just a few days, if not same day.

We will obtain the necessary approvals from all authorities relevant to the chosen activity of the Company & obtain license within two weeks or even less. A company formation in Bahrain is a great choice for Investors, with access to local and international Markets, with free trade agreements with the United States and other foreign countries which allow 100% foreign ownership.

We specialize in company formation and business setup in Bahrain for both GCC nationals and foreign investors, guiding you through every step of the process. Our team of experienced professionals is dedicated to making the journey of setting up a business in Bahrain as smooth as possible. We offer personalized services, including assistance in obtaining 100% shareholding for foreigners in various sectors.

Setting up a company in Bahrain involves several steps, and the process can vary based on the type of business entity you wish to establish and the business activity. Here is a general overview of the steps involved:

1. Determine Business Type

Limited Liability Company, Joint Stock Company, Branch of a Foreign Company.

2. Reserve a Business Name

Choose a unique company name.

3. Obtain Initial Approval

Submit the required documents to obtain initial approval.

4. Obtain a CR

Commercial Registration Certificate (Without license).

Obtaining License

Obtaining approvals from relevant authorities depending on your business activity.

1. Provide Company Address

We can assist you with a virtual address, if required. Further we obtain all registrations and approvals.

2. Drafting the Memorandum and Articles of Association

Prepare the Memorandum or Deed of Association outlining the company's structure, activities, and internal regulations.

3. Notarize Documents

notarize the company deed or memorandum / articles of association before the notary public.

4. Open a Corporate Bank Account & Deposit Capital

Deposit the share capital in a local bank and obtain a certificate of deposit.

5. Finalize Registration

Submit all required documents to the Ministry of Industry, Commerce, and Tourism to complete the registration process.

6. Commercial Registration

Obtain the commercial registration certificate from the Ministry of Industry, Commerce, and Tourism.
